## **HALL & FOREMAN, INC. APPOINTS TWO PRINCIPALS**

IRVINE, Calif., August 3, 2006 — Hall & Foreman, Inc. (HFI) is pleased to announce the appointment of Glenn Chung, P.E. and Henrik Nazarian, P.E. as principals. Both have also been promoted to vice president.

As principal/vice president of the firm, each will participate in directing HFI's professional practice including strategic planning and business acquisition opportunities. In addition to their current responsibilities, Mr. Chung and Mr. Nazarian will take on leadership duties to implement HFI's firm wide strategic initiatives and increase the firm's presence in key market sectors. Mr. Chung and Mr. Nazarian will join existing principals John C. Hogan, P.E., Jon E. Bourgeois, P.E., Lou Ann Frederick, Don Lohr, P.E., Mark Miner, Alan M. Palermo, P.E., Steve Shambeck, P.L.S., and Tony Terich, P.E.

"Both individuals have demonstrated outstanding professionalism particularly in the areas of developing client relations and providing Client service," noted John Hogan, HFI's chief executive officer. "Throughout their respective tenures with HFI, each has proven to be a leader in guiding project teams and serving HFI in the role of associate."

Mr. Chung joined HFI in 1997 as a staff engineer. Mr. Chung holds a Bachelor of Science Degree in Civil Engineering from California State University, Long Beach. He is a member of International Council of Shopping Centers and has completed course work in the land development

program at California State University San Bernardino. In 2002, Mr. Chung was named associate of the firm and most recently served as project director in the Inland Empire division. Mr. Chung's diverse project experience includes entitlements, feasibility studies, commercial, retail, industrial, custom lots and land development. Some of his recent projects include Bass Pro at Victoria Gardens in Rancho Cucamonga, Baldwin Park Market Place in Baldwin Park, and Mercury Insurance Group's National Headquarters in Rancho Cucamonga.

Mr. Nazarian holds a Bachelor of Science degree in Engineering from Tehran University and a Master of Science degree in Civil Engineering from California State University at Los Angeles. He has completed course work in the UCLA Extension Construction Management Certificate Program. Mr. Nazarian joined HFI in 2000 as a project engineer. In 2003 Mr. Nazarian was named an associate and most recently served as a project director in the LA/Ventura division. His project experience ranges from subdivision projects to large-scale commercial and retail projects. Some of his recent projects include numerous residential tracts in the Antelope Valley, 30-plus acre Nordahl Marketplace shopping center in San Marcos, CA, and 50-plus acre Glendora Marketplace in Glendora, CA.

Founded in 1961, HFI is celebrating its 45<sup>th</sup> Anniversary. For two consecutive years, HFI has been nationally ranked by CE News as a top five Best Civil Engineering Firms to Work For. The firm is listed by industry authority Zweig White as one of the fastest growing architecture/engineering/planning and environmental consulting firms in the nation. HFI specializes in civil engineering, land planning/development, land surveying, entitlement coordination, infrastructure funding, investigative engineering, municipal/public works, surveying and mapping, and landscape architecture services.
