HALL & FOREMAN, INC. ANNOUNCES THOMAS CANNON AS CONTROLLER

TUSTIN, Calif, May 17, 2010 – Hall & Foreman, Inc. (HFI), a civil engineering, land planning and surveying firm, announced the addition of Thomas Cannon as controller. As controller, Mr. Cannon will oversee the firm's financial and accounting operations.

"Tom brings to HFI over 20 years of experience in the architecture and engineering industry. This is invaluable to us as we position the firm for the economic upturn and the development sector recovery," states John Hogan, P.E., LEED AP, HFI's chief executive officer and principal.

Mr. Cannon holds a Bachelor of Arts degree in accounting from California State University Fullerton. During his free time he enjoys restoring vintage homes and historical preservation, as well as landscaping and gardening.
