HALL & FOREMAN, INC. NAMES ANTHONY TERICH AS DIVISION PRESIDENT AND PRINCIPAL

IRVINE, Calif., April 26, 2005 — Hall & Foreman, Inc. (HFI), an engineering, planning, surveying, and landscape architecture firm, is pleased to announce the appointment of Anthony J. (“Tony”) Terich, P.E., as the newest division president and principal for the firm. Mr. Terich most recently served as the firm’s project director and associate based in Temecula, California.

As president of the Temecula Division he will oversee the ongoing operations, growth and business expansion for the division. As principal, Mr. Terich will join existing principals John C. Hogan, P.E., Jon E. Bourgeois, P.E., Steve Shambeck, P.L.S., Lou Ann Frederick, Donald O. Lohr, P.E., Mark Miner, and Alan M. Palermo, P.E., in directing HFI’s professional practice including strategic planning and business acquisition opportunities.

In making the announcement, HFI’s chief executive officer John C. Hogan, P.E., commended Mr. Terich’s contributions to the growth of the firm by stating, “Tony understands both the design side and the operational side of the business. He has proven to be a resourceful project director guiding our firm’s activities on the Wolf Creek master plan project in Temecula, one of the largest projects of its type in the city’s history. We look forward to many more successful years as a company with Tony as one of our leaders.”

-more-

Mr. Terich possesses over 36 years of civil engineering experience in the A/E/C industry. He received a bachelor of science degree in civil engineering from California State University Los Angeles and specializes in large land development projects.

Mr. Terich engages in all aspects of marketing, administration, planning, design, and construction. His project experience includes land development, residential, commercial and industrial subdivisions, and public works projects. He is currently involved in the Wolf Creek master plan project in Temecula, which includes approximately 2,000 homes, 20 acres of commercial development, over 65 acres of parks and open space, an elementary school, and a middle school.

Donald O. Lohr, P.E., the current Temecula Division President, is turning the daily operation activities over to Mr. Terich so he can focus on business development for HFI. Mr. Lohr guided the business combination between Lohr + Associates, Inc. and HFI in 2003. He will continue to provide client service and project support to ensure a smooth transition.

Founded in 1961, HFI specializes in civil engineering, land planning/development, land surveying, entitlement coordination, infrastructure funding, investigative engineering, municipal/public works, surveying and mapping, and landscape architecture services. With offices in Irvine, Rancho Cucamonga, Temecula, and Woodland Hills. HFI serves public and private clients on a variety of projects throughout California and Southern Nevada.

For further information about HFI's services and office location, please contact Kelly Teenor at 714-665-4500, or visit <http://www.hfinc.com/>

Anthony J. ("Tony") Terich, HFI's Newest Temecula Division President and Principal.
