HALL & FOREMAN, INC. APPOINTS NEW ASSOCIATES

IRVINE, Calif. September 1, 2006 — Hall & Foreman, Inc. (HFI), announced the appointment of three Associates. Robert Kilpatrick, P.E., T.E., Mike Partenheimer and Kelly Teenor, APR joined the ranks of HFI's leadership team. As an HFI Associate, each will assist the firm's principals in the areas of management, strategic planning and development of company policy and procedures.

John Hogan, P.E., HFI's chief executive officer and principal noted, "HFI's diversity shows throughout our culture. Our newest Associates are experts in their respective disciplines from engineering to CAD to marketing. All have brought tremendous value to HFI. We look forward to further contributions as they step up to help lead the firm and build a strong future for us and for our Clients."

Robert Kilpatrick, P.E., T.E., a project director with HFI, is a civil engineer and a registered traffic engineer. He holds a B.S. in Civil Engineering from Cal Poly Pomona. Mr. Kilpatrick comes to HFI from VVCE, Inc., which recently merged with HFI. At VVCE he played a key role in the growth and management of that firm. He has been consulting in the Victor Valley area of California since 1985, has served on the board of directors for the Baldy Mesa Water District and is a member of the Institute of Transportation Engineers.

Mike Partenheimer is HFI's corporate CAD manager. Since joining the firm in 1997 Mr. Partenheimer has led HFI's CAD efforts. He holds a degree in Civil-Structural Drafting Technology from Chabot College. He is the immediate past president of Civil CAD Consortium (C3), is a contributing editor of *Inside AutoCAD*, writes frequently for *AUGIWorld*, and is a member of Toastmasters International.

Kelly Teenor, APR, HFI's director of marketing, joined HFI in 2002. She holds a BA in Business Administration and an MA in Communications from Cal State Fullerton. Ms. Teenor is responsible for the firm's marketing and business development efforts, including its branding initiative. She is President of the Orange County Public Relations Society, is taking classes in the UCI Extension light construction and development management certificate program and is a member of Toastmasters International.

Founded in 1961, HFI is celebrating its 45th Anniversary. For two consecutive years HFI has been nationally ranked by *CE News* in the top five Best Civil Engineering Firms to Work For. The firm is listed by industry authority Zweig White as one of the fastest growing architecture/engineering/planning and environmental consulting firms in the nation. HFI specializes in engineering, land planning/development, land surveying, entitlement coordination, infrastructure funding, investigative engineering, municipal/public works, surveying and mapping, and landscape architecture services.
