**AMERICAN SOCIETY OF CIVIL ENGINEERS TAPS JOHN HOGAN P.E., LEED AP,  
TO SERVE AS PRESIDENT**

*Hall & Foreman, Inc. CEO & Principal To Lead  
ASCE Los Angeles Section's Leadership Team*

**TUSTIN, Calif, October 20, 2011** – John Hogan, P.E., LEED AP, will serve as 2011-2012 President for the American Society of Civil Engineers (ASCE) Los Angeles Section. Mr. Hogan is CEO and Principal of Hall & Foreman, Inc. (HFI), a civil engineering, land planning, and surveying firm.

The ASCE Los Angeles Section is part of the nationwide ASCE organization whose mission is to provide essential value to its members and partners, advance civil engineering, and serve the public good. The Los Angeles Section consists of approximately 8,000 members from seven local ASCE branches. The Section includes the Desert Area, Metropolitan Los Angeles, Orange County, San Bernardino/Riverside Counties, San Luis Obispo, Santa Barbara/Ventura Counties and Southern San Joaquin branches.

Mr. Hogan was installed on October 8, 2011, and will serve a one year term. In his role as President, Mr. Hogan will lead the Section's leadership team as they develop and implement programs and services that benefit the professional development of the members.

Throughout Mr. Hogan's 37-year engineering career, he has managed design teams for a variety of large-scale residential and land planning projects. [As CEO of HFI](#), Mr. Hogan has the honor of leading the firm through its [50<sup>th</sup> year of operation](#). He holds a Bachelor of Science degree in civil engineering from the University of Southern California and a Master of Science degree in civil engineering from California State University Long Beach. He is the ASCE Orange County Branch Engineer of the Year and is past president of that Branch. In addition, Mr. Hogan is active in numerous professional associations and societies, including the Building Industry Association Orange County Chapter's Board of Directors.
