**AMERICAN SOCIETY OF CIVIL ENGINEERS ORANGE COUNTY BRANCH NAMES
JOHN HOGAN, P.E., LEED AP, AS ENGINEER OF THE YEAR**

*Hall & Foreman, Inc. CEO & Principal is honored as
Engineer of the Year*

TUSTIN, Calif, February 18, 2011 – John Hogan, P.E., LEED AP, received the American Society of Civil Engineers (ASCE) Orange County Branch Engineer of the Year Award. Mr. Hogan is CEO and Principal of Hall & Foreman, Inc. (HFI), a civil engineering, land planning, and surveying firm.

The [ASCE Orange County](#) branch is part of the nationwide ASCE organization whose mission is to provide essential value to its members and partners, advance civil engineering, and serve the public good. The Engineer of the Year award recognizes the entire career of Mr. Hogan. He is honored for his technical experience, community service, engineering accomplishments, and commitment to making our communities a better place to live, work, and play.

Throughout Mr. Hogan's 37-year engineering career, he has managed design teams for numerous residential and commercial developments and public works projects throughout Orange County. Notable among these are Metro Pointe in Costa Mesa, Ladera Ranch in south Orange County, and Koll Center in Irvine. [As CEO of HFI](#), Mr. Hogan has the honor of leading the firm through its [50th year of operation](#). He holds a Bachelor of Science degree in civil engineering from the University of Southern California and a Master of Science degree in civil engineering from California State University Long Beach. He is currently serving as the President-Elect for the ASCE Los Angeles Section and is past president of the ASCE Orange County Branch. In addition, Mr. Hogan is active in numerous professional associations and societies, including the Building Industry Association Orange County Chapter's Board of Directors.
