HALL & FOREMAN, INC. APPOINTS ASSOCIATE

Hall & Foreman, Inc. Appoints Linda Sandusky to Join Leadership Team

TUSTIN, Calif, August 17, 2010 – Hall & Foreman, Inc. (HFI) announced the appointment of Linda Sandusky as an associate. In the role of an associate, Ms. Sandusky joins the ranks of HFI's leadership team and will assist the firm's principals in the areas of management, strategic planning, and development of company policy and procedures.

John Hogan, P.E., LEED AP, HFI's chief executive officer and principal noted, "Linda's organizational skills and her passion for providing heroic client service brings value to our clients and their projects. We look forward to continued contributions as she steps forward to help build a stronger future for our firm and for our clients."

Ms. Sandusky has over 18 years of project management experience. Prior to joining HFI in 2004 as a project assistant, she worked for the Southern California Gas Company. Ms. Sandusky has held the position of project manager for the past five years. She leads HFI project teams for the design of K-12 and community college projects as well as residential subdivision and custom home projects. She has an excellent background in scheduling, budgeting, project communication, and has a great rapport with clients. She is a 2010 board member of the Building Industry Association's Home Builders Council and is serving on the 2010 sponsorship committee for the Orange County CANstruction Competition.

Ms. Sandusky is an alumna of California State University, Long Beach where she graduated Cum Laude with a bachelor of arts in Sociology and earned an Elementary Teaching Credential. She resides in Seal Beach, CA with her husband, Richard, and two daughters Natalie and Vanessa. Ms. Sandusky is an avid soccer player, playing in the Orange County Women Soccer League on the Viper Team for the past 15 years.
